

G | fenced-N

nitrogen management
system
powered by Gripp

HAZARD STATEMENT: Harmful if swallowed.

GENERAL INFORMATION:

fenced-N is an additive that extends nitrogen availability and uptake in addition to reducing nitrogen loss. It is intended for use as an additive to anhydrous ammonia and liquid fertilizer.

APPLICATION RATES:

Anhydrous Ammonia: Use 6 oz. **fenced-N** per 50 units of Nitrogen, up to a maximum use rate of 24 oz. per acre of **fenced-N**.

Liquid Fertilizer: Use 2 quarts of **fenced-N** per ton of UAN (28% - 32%) *See dealer for specific recommendations.

Liquid Manure: 24-32 oz. **fenced-N** per acre.

DIRECTIONS FOR USE:

Anhydrous ammonia: Operator must follow all anhydrous safety precautions. Inject **fenced-N** through liquid fill valve. If pressure exceeds 150 psi, inject **fenced-N** through liquid withdraw valve. Proper maintenance is required. Flush valve thoroughly with anhydrous. Coat fill valve thoroughly with a petroleum or silicone based lubricant. Apply treated anhydrous using conventional anhydrous application equipment.

Liquid Fertilizers: Liquid fertilizers containing high levels of phosphate should not be used with **fenced-N**. If pesticides are added to the tank mix in conjunction with liquid fertilizers, a compatibility jar test should be performed prior to large scale application to field.

STORAGE AND DISPOSAL:

Store in a cool, dry place. Store in original container. Keep container tightly closed. Do not reuse container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state, and federal regulations.

PRECAUTIONARY STATEMENTS:

Avoid contact with eyes, skin, and breathing vapors or spray mist. Wear protective gloves. Do not drink, eat, or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire, use dry fire extinguisher to extinguish. For first aid refer to the SOS First Aid section. If on skin, take contaminated clothes off immediately. Rinse skin with water.

NOTICE:

Manufacturer warrants that **fenced-N** conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if **fenced-N** is used in any manner or under any condition other than those specifically set forth on the label.

ACTIVE INGREDIENTS:

Calcium	10.0%
Polyoxethylene Glycol, Co-Polymer	28.0%
Other Proprietary Ingredients	62.0%
Total	100.0%

ALSO CONTAINS NON PLANT FOOD INGREDIENTS:

Carboxylic and Organic Acids less than >2%

WARNING
KEEP OUT OF REACH
OF CHILDREN

NET CONTENT:

___ 2.5 gal.
___ 2 x 2.5 gal.
___ bulk ___ gallons

NET WEIGHT: 12.0 lb/gallon @ 68° F

SHAKE WELL BEFORE USE

MANUFACTURED FOR:

Gripp
